

BATTLESHIP

Write the Christmas Words in the Boxes

Santa (5 letters), **Elf** (3 letters), **Tree** (4 letters),
Snow (4 letters), **Star** (4 letters)

EXAMPLE:

	A	B	C	D	E	F
1	E		S	N	O	W
2	L	S	A	N	T	A
3	F	S		T		
4		T		R		
5		A		E		
6		R		E		

You will guess where your partner has the words. For example, you say D3 and if your partner has a letter in this spot, they say HIT. But, they should NOT tell you the letter or the word that is there.

If they do not have a letter in the box that you guessed, they say MISS.

When you guess all the spots where the letters are located in the word your partner says "You sunk my battleship"

Keep taking turns until one of you has sunk all of the other's battleships.
