

Draw My Doll

Draw a picture of a doll on your paper.

Is it a boy or girl?

What color hair does he/she have?

Is their hair long or short?

Is it straight, curly, or wavy?

What color eyes do they have?

What does the mouth look like?

Are her ears pierced?

What clothes are they wearing?

What shoes are they wearing?

Do they have any accessories?

Think about these questions while you are drawing. Then you will describe your doll to me and I will draw it on my paper. Let's see how close I get!
