Listen to the clues
to uncover the
Easter vocabulary!

I am an animal that
hops and hides
Easter eggs filled
with chocolate on
Easter.

The Easter bunny!

I am an object that
you can put things
into. On Easter, you
can use me to put
the Easter eggs that
you find.

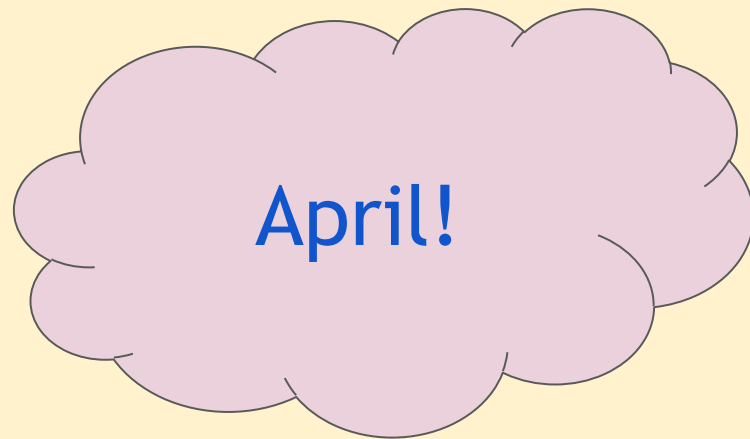

An Easter basket!

I am a month
between March and
May. Usually, you
can see beautiful
flowers in this
month.

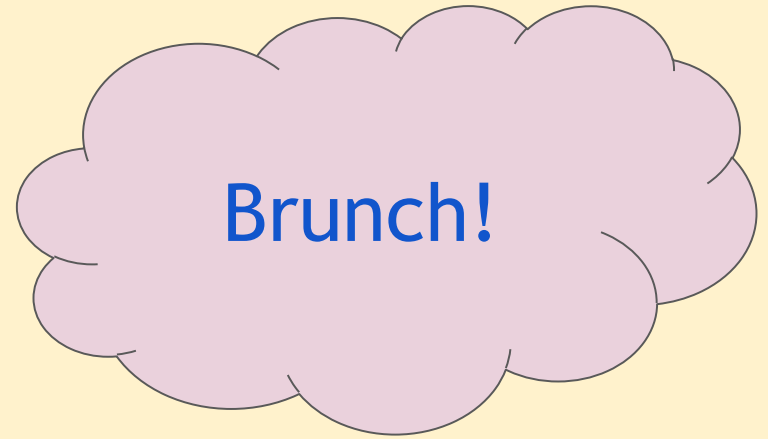

I am a meal that
mixes breakfast and
lunch. I have some
breakfast foods and
some lunch foods.

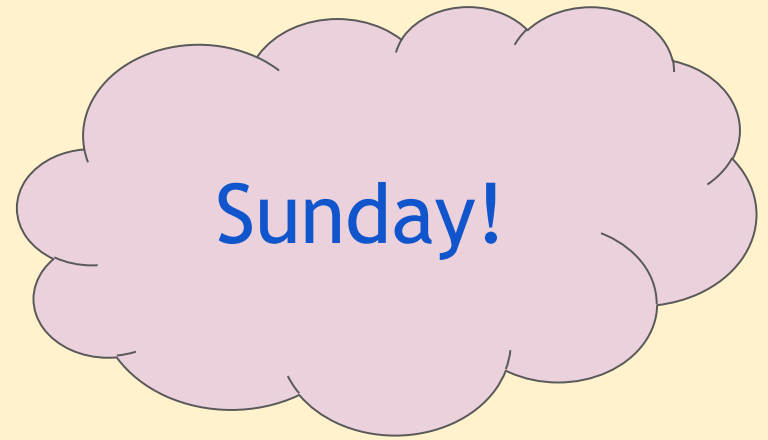

Nicol's English Classes

I am the day of the
week that comes
after Saturday and
before Monday.

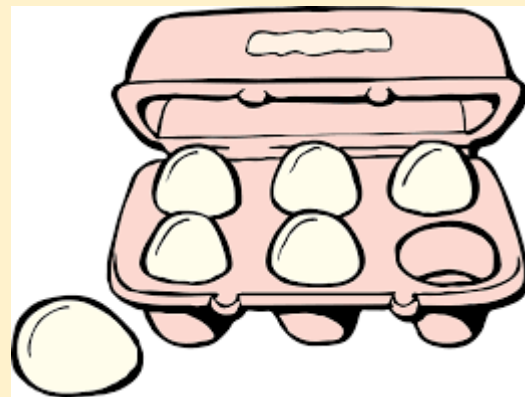

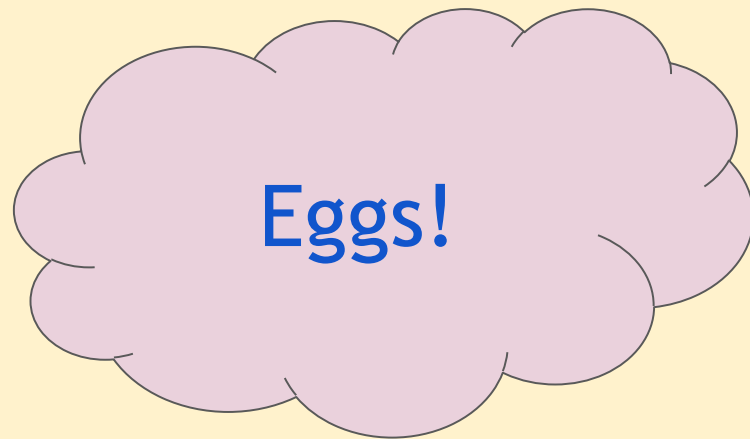

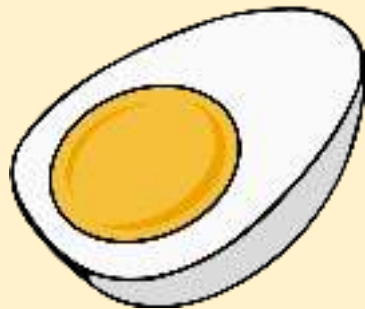

I am something that
you eat that is
usually white or
brown. If you drop
it, it will crack and
make a big mess!

I am something
delicious that is
sweet. If you eat
too many of me, I
will give you
cavities!

Chocolate!

Nicol's English Classes

I am an activity that
you do on Easter.
You look for eggs
with your friends
and family.

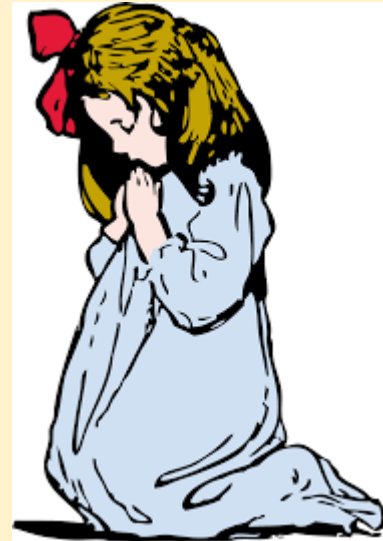

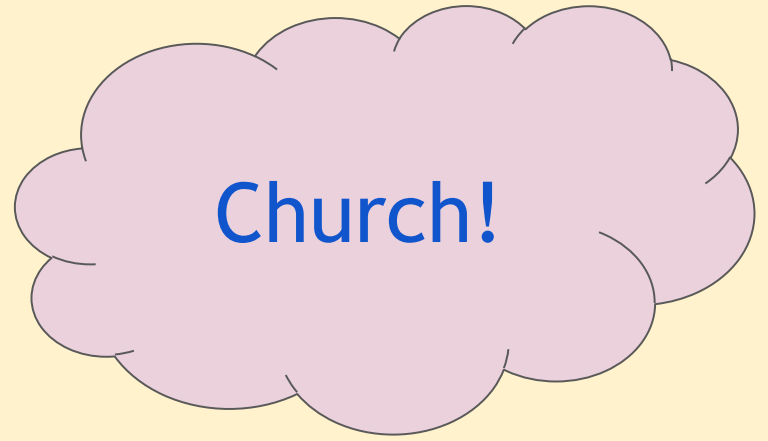

I am a building that
you go to on
Sundays, and maybe
other days of the
week. You pray at
this building.

GREAT JOB
