# Trick or Treat?

A Halloween-themed illustration of a graveyard at night. In the background, a witch flies on a broom under a crescent moon. A ghost floats in the center. To the left, a skeleton stands near a tombstone. To the right, a black cat sits on a tombstone. In the foreground, a jack-o'-lantern with a menacing face sits on the left, and a child's legs in a pink dress and white shoes are visible, surrounded by candy. A large, gnarled tree with a spiderweb is on the far left.
