

Spring!

Down:

1. the month that comes after March
2. blooms in the spring time
3. what we look at to tell how hot or cold it is outside
5. an insect that flies and has many colors
7. an animal that hops around and comes out in the spring time
9. a green plant that grows outside and is fun to run around in
11. the month that we are currently in
13. something wet that falls from the sky and makes our flowers grow

Across:

4. something we ride with two wheels when we play outside
6. where we might go to play with our friends
7. an animal that flies and chirps
8. what we plant in the ground for flowers to grow
10. where we can find all of the flowers and plants
12. something we need when it rains to stay dry
14. shines to keep us warm
