

My Dream Summer Vacation

Imagine This

It is summer vacation! You can do whatever you want! Your budget and time is unlimited! So, tell me, what are you going to do?

Travel

You can travel anywhere in the world. Where are you going to travel? What are you going to do there? Who are you going to go with? How are you going to get there? What are you going to eat there?

Relax

You have all summer to relax! What are you going to do? Are you going to play video games? Are you going to watch TV? Or, is it going to be a electronic-free summer?

Sleep-in

You can now wake up whenever you want! What time are you going to wake up each morning? What time are you going to go to bed?

Sports

You can join a sports camp this summer! Which one are you going to join? How often are you going to play? Who are you going to play with?

Family

Of course, you should maybe visit some family this summer. Who are you going to visit? Where do they live? How are you going to get there? How long are you going to stay? What are you going to do with them?

Friends

Don't forget about your friends! Who are you going to spend time with this summer? Where are you going to meet? What are you going to do together?

Food- YUM!

Summer is a time to PIG-OUT! What are you going to eat this summer? What are your favorite summer foods? Are you going to eat at home or eat at a restaurant? What is your favorite restaurant?

Should we talk about school?

I hate to ask but... are you going to study this summer? Maybe read a book? Or do some math problems? Study English?

Sounds Fantastic!

I hope you have a great summer!
