In every job that must be done
There is an element of fun
You find the fun and _____!
The job's a _____
And every task you undertake
Becomes a piece of _____
A lark! A spree! It's very clear to see that
A Spoonful of sugar helps the medicine go down
The medicine go down-wown
The medicine go down
Just a spoonful of sugar helps the medicine go down
In a most _____ way
A _____ feathering his nest
Has very little time to _____
While gathering his bits of twine and _____
Though quite intent in his pursuit
He has a merry tune to toot
He knows a song will move the _____ along - for
A spoonful of sugar helps the medicine go down
The medicine go down-wown
The medicine go down

Just a spoonful of sugar helps the medicine go down

In a most delightful way

The honey _____ that fetch the nectar

From the _____ to the comb

Never tire of ever buzzing to and fro

Because they take a little nip

From every flower that they _____

And hence (And hence),

They find (They find)

Their _____ is not a grind.

Ah-h-h-h-h-h-h-h-h-h-h ah!

A Spoonful of sugar helps the medicine go down

The medicine go down-wown

The medicine go down

Just a spoonful of sugar helps the medicine go down

In a most delightful way
