

Better Together

There's no combination of words I could put on the back of a

No song that I could sing, but I can try for your heart

Our dreams, and they are made out of real things

Like a _____ box of _____

With sepia-toned loving

Love is the _____, at least for most of the questions in my heart

Like why are we here? And where do we go?

And how come it's so hard?

It's not always easy and

Sometimes life can be _____

I'll tell you one thing, it's always better when we're together

Mmm, it's always better when we're together

Yeah, we'll look at the stars when we're together

Well, it's always better when we're together

Yeah, it's always better when we're together

And all of these _____

Just might find their way into my _____ tonight

But I know that they'll be gone

When the _____ light _____

Or brings new things

For tomorrow night you see

That they'll be gone too

Too many things I have to do

But if all of these dreams might find their way

Into my day to _____ scene

I'd be under the _____

I was somewhere in between

With only two

Just me and you

Not so many things we got to do

Or _____ we got to be

We'll sit beneath the _____ tree now

Yeah, it's always better when we're together

Mmm, we're somewhere in between together

Well, it's always better when we're together

Yeah, it's always better when we're together

I believe in _____

They look so, so _____ when I sleep

Hey now and, and when I wake up

You look so pretty sleeping next to me

But there is not enough _____

And there is no, no song I could sing

And there is no _____ of words I could say

But I will still tell you one thing

We're better together
