You say there's so much you don't know
You need to go and find _____
You say you'd rather be _____
'Cause you think you won't find it tied to someone else

Ooh, who said it's true
That the _____ only happens on your own?
They don't know me and you

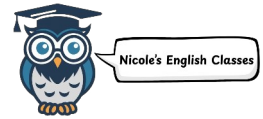

I don't think you have to _____
If to change is what you need
You can _____ right next to me

When you're high, I'll take the _____

You can ebb and I can flow

And we'll take it _____
And _____ as we go
Grow as we go

You won't be the only one
I am _____, I've got so much left to _____
I don't know how this river runs
But I'd like the company through every _____ and turn

Ooh, who said it's true
That the growing only happens on your own?
They don't know me and you

You don't ever have to leave
If to change is what you need
You can change right next to me
When you're high, I'll take the lows
You can ebb and I can flow
And we'll take it slow
And grow as we go
Grow as we go
Grow as we go
Grow as we go

[Bridge]
I don't know who we'll _____
I can't promise it's not written in the _____
But I believe that when it's done
We're gonna see that it was better
That we grew up _____

Tell me you don't wanna leave

'Cause if change is what you need
You can change right next to me
When you're high, I'll take the lows
You can ebb and I can flow

We'll take it slow
And grow as we go
Grow as we go
Grow as we go
Grow as we go
