And most of all  
I'd like to thank the mayor of Whoville  
Who   (1)   in me from the beginning

Oh, Horton  
We're going to   (2)   you

What are we going to do without you, Horton?

Oh, don't worry.  
I'll   (3)   be around.

And even as i wander,

I'm keeping you in sight

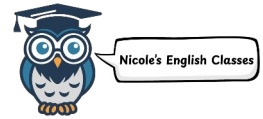

Your a candle in the   (4)  ,

On a cold dark   (5)   night(spoken: beautiful metaphor)

And I'm getting closer than i ever thought i might ( spoken: woo that's  
a little high for me)

Baby I can't   (6)   this feeling anymore,

I've forgotten what I started fighting for,

And if i have to crawl upon your \_\_\_(7)\_\_\_\_\_ (crawl upon the floor),

Come crashing through your \_\_\_(8)\_\_\_\_\_ (crashing through your door)

Baby I can't fight this feeling anymore

I can't fight this feeling any more

And so all ended well for both Horton and Whos

And for all in the \_\_\_(9)\_\_\_\_\_, even kangaroos

So, let that be a lesson to one and to all

A person is a person

No matter how \_\_\_(10)\_\_\_\_\_
