When I look into your _____
It's like watching the night _____
Or a beautiful sunrise
Well, there's so much they hold

And just like them old _____
I see that you've come so far
To be right where you are
How old is your _____?

[Chorus]
Well, I won't give up on us
Even if the _____ get rough
I'm giving you all my _____
I'm still looking up

[Verse 2]
And when you're needing your _____
To do some navigating
I'll be here patiently _____
To see what you find

[Chorus]
'Cause even the stars, they _____
Some even fall to the earth

We've got a lot to _____
God knows we're worth it
No, I won't give up

[Bridge]

I don't wanna be someone who walks away so easily
I'm here to stay and make the _____ that I can make

Our differences, they do a lot to teach us how to use the tools and
gifts

We got, yeah, we got a lot at stake
And in the end, you're still my friend, at least we did intend
For us to work, we didn't break, we didn't burn
We had to learn, how to bend without the world caving in
I had to learn what I got, and what I'm not
And who I am

[Chorus]

I won't give up on us
Even if the skies get rough
I'm giving you all my love
I'm still looking up
I'm still looking up
Well, I won't give up on us (No, I won't give it up)
God knows I'm tough enough (I am tough, I am loved)
We got a lot to learn (We're alive, we are love)
God knows we're worth it (And we're worth it)

[Outro]

I won't give up on us
Even if the skies get rough

I'm giving you all my love
I'm still looking up
