Well, you done done me and you bet I _____ it
I tried to be chill, but you're so hot that I melted
I fell right through the cracks
Now I'm trying to get _____

Before the cool done run out
I'll be giving it my bestest
And nothing's gonna stop me but divine _____
I reckon, it's again my turn
To _____ some or learn some

But I won't hesitate
No more, no more
It cannot _____
I'm yours

Well, open up your _____ and see like me
Open up your plans and you're free
And look into your _____ and you'll find love, love, love, love
Listen to the _____ of the moment, people dance and sing, we're
just one big family
And it's our God-forsaken right to be loved, loved, loved, loved, loved

So I won't hesitate
No more, no more
It cannot wait

I'm sure
There's no need to complicate
Our time is short
This is our fate
I'm yours

But don't you want to come on and scooch on over closer, dear
And I will nibble your ear

I've been spending way too long checking my _____ in the mirror
And bending over backwards just to try to see it clearer
But my _____ fogged up the glass
And so I drew a new face and I _____

I guess what I'll be saying is there ain't no better reason
To rid yourself of vanities and just go with the _____
It's what we aim to do
Our name is our virtue

But I won't hesitate
No more, no more
It cannot wait
I'm yours

Well, open up your mind and see like me
Open up your plans and you're free
Look into your heart and you'll find that the _____ is yours
So please don't, please don't, please don't
There's no need to _____
'Cause our time is short
This oh, this oh, this is our _____

I'm yours

Oh, I'm yours

Oh, I'm yours

Oh, oh

Baby, do believe I'm yours?

You best believe, you best believe, I'm yours
