Who's to say what's ____ (1) ____
Well, they forgot this world keeps spinning
And with each new ____ (2) ____
I can feel a change in everything
And as the surface breaks, reflections fade
But in some ways, they remain the ____ (3) ____
And as my mind begins to spread its wings
There's no ____ (4) ____ curiosity
I want to turn the whole thing upside down
I'll find the things they say just can't be found
I'll share this ____ (5) ____ I find with everyone
We'll sing and ____ (6) ____ to Mother Nature's songs
I don't want this feeling to go away
Who's to say I can't do everything
Well, I can try
And as I roll along, I begin to find
Things aren't always just what they seem
I want to turn the whole thing upside down
I'll find the things they say just can't be ____ (7) ____
I'll share this love I find with everyone

We'll __**(8)**____ and dance to Mother Nature's songs
This world keeps spinning and there's no time to waste
Well, it all keeps __**(9)**____, spinning 'round and 'round and
Upside down
Who's to say what's impossible and can't be found?
I don't want this feeling to go away
__**(10)**____ don't go away

Is this how it's supposed to be?
