You've got a (1) **friend** in me

You've got a friend in me

When the (2) **road** looks rough ahead

And you're miles and miles

From your (3) **nice** warm bed

You just remember what your old pal said

Boy, you've got a friend in me

Yeah, you've got a friend in me

You've got a friend in me

You've got a friend in me

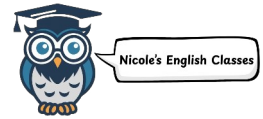

You got (4) **troubles** , I've got 'em too

There isn't anything I wouldn't do for you

We stick (5) **together** and see it through

'Cause you've got a friend in me

You've got a friend in me

Some other folks might be

A little bit (6) **smarter** than I am

Bigger and (7) **stronger** too

Maybe

But none of them will ever (8) **love** you

The way I do

It's me and you, boy

And as the (9) **years** go by

Our friendship will never die

You're gonna see it's our (10) **destiny**

You've got a friend in me

You've got a friend in me

You've got a friend in me
