

Guess What?

During your turn you will have 2 minutes.

You will roll the virtual die to get your assignment: Act, Make, or Describe.

You will generate a noun and try to get your partner to guess the word you have.

***Act: You must act out the word, Make: you must draw a picture (or create with playdoh),
Describe: You must describe the word***

Once it is guessed, roll the die again with a new noun. Do this until you have reached 2 minutes.

At the end of the 2 minutes, count how many your partner guessed. This is the amount of points they can move on the game board. Play until the first person gets to 20.
