

Connecting Words

How to play: Take turns saying a single word. Each words must somehow be connected to the word before. Go as fast as you can!

Skills developed: Being creative, thinking laterally.

Example: "Tree", "Leaf", "Green", "Paint", "Wall", "Clock", "Hands".

Extension idea: To make it harder put in a rule where you have to cycle through letters in the alphabet e.g. "Apple", "Bowl", "Cup", "Drink", "Eat".

Example:

Hat – cap – baseball – ball – tennis – play – dolls — princess — disney — movies — popcorn – food – cook – cookies – chocolate — dessert — ice cream — donuts — round – circle – snowball — basketball – sports — playing – costume — **hat**
